

TRADES AND LABOR CONGRESS OF CANADA

ALL SECTIONS OF CANADA ARE
REPRESENTED AT THE CON-
GRESS AT VICTORIA, B. C.

Special to the Herald.

Victoria, B. C., Sept. 17.—The bone and sinew of organized labor in the Dominion is well represented at the twenty-second annual session of the Trades and Labor Congress of Canada, which opened in this city today. All sections of Canada are represented at the congress, which will be in session about a week. In addition to discussing the usual topics and transacting the business relating to the affairs of the organization the congress this year is to be given added interest by the consideration of the subject of labor's participation in politics. The example of organized labor in the United States in taking an active part in the present political campaign has attracted much attention among the trades unions of Canada. Opinion as to the wisdom of following this example, however, differs among the representative leaders of the Canadian labor unions and a spirited discussion is likely to follow the introduction of the subject in the congress. Many are heartily in favor of independent political action in an effort to increase the number of labor's representatives in the Dominion parliament and provincial legislatures. Others are inclined to oppose the plan.

ALBERT TAYLOR'S OVATION.

San Antonio Audience Exhibits Most
Enthusiastic Appreciation.

The attendance at the Grand theatre last night demonstrated very clearly that Albert Taylor and his excellent company are still the favorites of the San Antonio public. Although the theatre will accommodate a very large number of spectators, there was not a vacant seat in the boxes or chairs when the curtain went up on the first act of "The Man From Mexico," and the audience continued to pile in until nearly all the standing room was occupied. The reception given Mr. Taylor when he appeared on the stage as the play

progressed must have been gratifying indeed, for the applause given was that of genuine admiration and not of the formal kind. And Mr. Taylor and his company in every way merit

Pure White Lead Paint

"Graded" White Lead, as the cheap, adulterated article is sometimes called, is an expensive purchase at any price.

Pure White Lead costs so little more per pound, and lasts so much longer on the building, that only the pure could be sold if the property owner was always fully informed on the subject of paint materials.

To be sure of absolute purity insist on having

Collier or Southern Pure White Lead

Made by the Old Dutch Process

Mixed with Pure Linseed oil it is a perfect paint. Your dealer will not sell you, write us.

WE WANT YOUR BUSINESS.

YOURS VERY TRULY

Hodges Dry Goods Co.

grown stronger as an actor, but he has gathered around him this year the very best company he has ever had, and the play was most excellent in every way. "The Man From Mexico" is a roaring comedy and there never was a better pleased audience in a San Antonio theatre and at times the appreciation manifested amounted almost to an ovation.—San Antonio Gazette.

Mr. Taylor and company will be seen at the Temple Opera House for two nights, commencing Thursday, September 20th. Special matinee on Friday afternoon at 3:30. Prices 25, 35 and 50 cents.

A HAPPY YOUNG BRIDE.

One of the happiest young women in town was married only a few months ago, but her troubles began when she tried to think what to get her husband for a birthday present. Fortunately she consulted Bratton, our popular druggist, and he suggested a box of Wadsworth Bros. "Chicos."

Mr. Younghusband congratulated his wife on her good judgment in selecting cigars, and says he will not smoke anything but "Chicos" in the future, not only because his wife gave them to him, but because they satisfy

his fastidious taste exactly, and just meet the needs of his pocketbook.

Wadsworth Bros. "Chicos" are really a 10 cent cigar for 5 cents, as they are made with a long Havana filler, are good size, smoke free, and are a real cigar from the first puff clear up to the stub.

Bratton Drug Co. are the local agents, and they want all lovers of good cigars to try the "Chicos."

SOMETIMES IT DOES!

A Hearty Meal Should Never Annoy or Distress.

A hearty meal should give a sense of gratification and comfort. It should never annoy or distress. If you have indigestion and discomfort after eating, it shows that your digestive organs are weakened and they cannot properly care for the food which has been swallowed. If you cannot eat and digest with pleasure and comfort three good square, hearty meals each day, you need to use MI-ona stomach tablets, and you should go to the Bratton Drug Company at once for a box.

MI-ona is as unlike the ordinary pepsiin digestive tablet as the electric light is more valuable than a tallow dip. MI-ona cures indigestion or stomach trouble by strengthening and

regulating the whole digestive system, thus enabling the organs to take care of the food you eat without any distress or discomfort.

Use MI-ona for a few days and the nervousness, sleeplessness, general debility and weakness, backache, loss of appetite, headache and other ills that are caused by indigestion will be banished and you will feel well all over.

MI-ona makes positive and lasting cures and is sold under an absolute guarantee that the money will be refunded unless the remedy cures. Ask Bratton to show you the guarantee he gives with every 50c box of MI-ona.

FRECKLES AND PIMPLES REMOVED In Ten Days.

worst cases in twenty days. 50c. and \$1.00 at all leading drug stores, or by mail from NATIONAL TOILET CO., Paris, Tenn.

Sold in Palestine by Bratton Drug Company.

WEATHER FORECAST.

Scattered showers tonight and Tuesday. Cooler. Minimum temperature, 72; maximum, 91.

WEATHER CONDITIONS.

An area of high pressure covers the Rocky Mountain states and the Northwest. A second high pressure area covers the Northwestern states. The pressure is below normal only in Texas. Showers have fallen in the Missouri valley and Southwestern states, also along the South Atlantic and Gulf coast.

The temperature is somewhat cooler in the east half of the cotton belt as well as in the Southern Slope states. It ranges from 54 degrees to 58 degrees in West and Northwest Texas, while in the Central Rocky Mountain states it averages 38 degrees.

Partly cloudy weather with scattered showers are indicated tonight and Tuesday, with lower temperature in the vicinity of Palestine.

G. HASS HAGEN,
Official in Charge.

Let the Herald do your printing, and have the satisfaction of knowing that it will be done right.

HEARINGS BY THE PURE FOOD BOARD

WILL FORMULATE REGULATIONS
FOR THE ENFORCEMENT OF
PURE FOOD LAWS.

Special to the Herald.

New York, Sept. 17.—The pure food board, which is formulating regulations for the enforcement of the pure food law recently enacted by congress, being a series of public hearings today to give the food manufacturers and others interested an opportunity to present their views as to the necessary regulations. Problems connected with the enforcement of the new law will be discussed and the members of the board expect to get many practical suggestions from the manufacturers. Such questions as what constitutes an original package and an export package, flavoring, coloring, the use of glucose in confectionery, harmful and harmless adulterants, breakfast and proprietary foods and patent medicines will be taken up. A large number of patent medicine manufacturers have applied to be heard at the meetings of the board. This fact has given rise to a belief that the makers of patent medicines, who exerted every effort to defeat the food and drugs act in congress, intend to fight to the last ditch until the law is actually put in operation.

LETTER TO THOS. M. BRITTON
Palestine, Texas.

Dear Sir: The cost of a gallon of paint put-on is about \$5, no matter what paint you buy.

100 gallons Devco put on, \$500.
110 gallons next grade put on, \$550.
120 gallons next-to-that put on, \$600.
130 gallons next put on, \$650.
140 gallons next-to-that put on, \$700.
150 gallons next put on, \$750.
160 gallons next-to-that put on, \$800.
170 gallons next put on, \$850.
180 gallons next-to-that put on, \$900.
190 gallons next put on, \$950.
200 gallons next-to-that put on, \$1000.
210 gallons next put on, \$1050.
220 gallons next-to-that put on, \$1100.

The strongest paint is the one that takes least gallons; least gallons to buy; least gallons to paint; and the strongest paint is the one that wears longest.

These lessons are useful.

Yours truly,

F. W. DEVCO & CO.

Washington State Fair.

Special to the Herald.

North Yakima, Wash., Sept. 17.—The Washington State Fair, for which the board of managers has been preparing for months past, opened today under most favorable auspices. As regards both exhibits and amusement features the exhibition this year is above the average, while the attendance figures likewise promise to establish a new record. The fair will continue until the end of the week.
